

# Brown's Shoe Fit Company

BEATRICE, NEBRASKA · ROOTED IN COMMUNITY

 MORE THAN A SHOE STORE

We serve our community beyond the sales floor — through partnerships, events, outreach, and services that make life a little easier.

Brown's Shoe Fit isn't just a place to buy shoes. We're a community hub — offering convenient drop-off services, in-home fittings, and events that bring people together. Here's everything we do for Beatrice and beyond.

## CONVENIENT DROP-OFF SERVICES

### Williams Cleaner Drop-Off

We take your dry cleaning to Lincoln every **Monday** and pick it up the following Monday — no trip to the city required. Drop it with us and we handle the rest.

### Ole's Shoe & Boot Repair Drop-Off

Bring in your shoes and boots for repair. We drop off and pick up every **Monday**, making it easy to extend the life of your favorite footwear.

### Home Fitting Service

Can't make it to the store? We come to you. We'll schedule a time to visit your home and ensure you get a proper fit — ideal for those with limited mobility or busy schedules.

## COMMUNITY GIVING

### Free Flag Dry Cleaning

We dry clean flags for local **funeral homes at no charge** — our way of honoring those who have served and supporting the dignity of final ceremonies.
